

Policy Statement:

The AASL *School Library Research* Editors may accept or reject material, whether solicited or otherwise.

Focus:

Primary: *School Library Research* Editors, AASL Staff, AASL Board of Directors, *School Library Research* Editorial Board

Purpose:

To define the process for manuscript submissions and publication.

Procedure:

1. Authors, whether solicited by the *School Library Research* Editors or unsolicited, will be required to follow the most current *School Library Research* author guidelines as published on the AASL website.
2. Manuscripts should be based on original research, an innovative conceptual framework, or a substantial literature review that opens new areas of inquiry and investigation.
3. The author(s) is responsible for ensuring all statements
