listing those members who have died since the preparation of the previous Conference Program.

7. All members are urged to submit a resolution or resolutions prior to the Annual Conference or Midwinter Council meetings by communicating the resolution to the chair of Resolutions Committee through electronic mail.
8. The Executive Director shall disseminate all adopted resolutions to

55.4, Heading: CHANGE "Standards of Accreditation in Library Education: Appeals Procedure" TO "Standards of Accreditation in Library and Information Studies: Appeals Procedure."

55.4, line 1: CHANGE "An institution of library education" to "A graduate program in library and information studies"

56.1, Heading: CHANGE "Graduate Programs in Library Education" TO "Graduate Programs in Library and Information Studies."

56.1, paragraph 1: CHANGE "graduate library/information science educational programs" TO "graduate programs in library and information studies (LIS)"

56.1, paragraph 2: DELETE "(LIS)"

56.2: CHANGE "ALA-accredited programs of library science..." to "ALA-accredited programs of library and information studies."

60.5, Heading: CHANGE "Library Education" TO "Library and Information Studies Education"

60.5, line 2/3: CHANGE "graduate library and information science programs" TO "Graduate programs in library and information studies"

Item #2. Updating Policy 55.4. In the process of examining policies for terminology, PMC noted the following wording as the last sentence of Policy 55.4, Standards of Accreditation in Library Education: Appeals Procedure: "The details of the appeals procedure shall be adopted by the Executive Board as implementation of this policy, and the procedure shall be a part of the information supplied to institutions participating in the accreditation process."

It has been determined that the appeals procedures were adopted by the Executive Board in January 2003. PMC recommends that the final sentence of 55.4 be deleted and replaced with: "Details regarding the appeals procedure shall be supplied to all programs participating in the accreditation process."

Item #3. Placement of revisions to the Code of Ethics (ALA Policy 40.2)
At Midwinter, 2008, Council approved several revisions to the ALA Code of Ethics. In the document passed by Council, the sections of the Code were numbered as "ARTICLE X, ARTICLE Y, etc.," while the Code itself uses the numbering "1), 2), etc." PMC regards this difference as an editorial matter only, and has substituted the existing numbering system for the one used in the Council document. Otherwise, the changes put forth here are exactly as passed by Council. PMC recommends the following changes to Policy 40.2:

3): DELETE the current wording and REPLACE WITH: "We protect each library user's right to privacy and confidentiality with respect to information sought or received and resources consulted, borrowed, acquired, or transmitted."

4): DELETE the current wording and REPLACE WITH: "We respect intellectual property rights and advocate balance between the interests of information users and rights ho,Auam."

2. Resolutions, including memorials, tributes, and testimonials, must show the initiating unit, mover, and seconder and provide specific contact information from submitting parties. A resolution without a sponsor will not be presented.
3. The resolution should address a specific topic or issue, use concise direct language, conform to proper grammar, and present an affirmative identifiable action.
4. The terms used in a resolution should be readily understandable or have specific definitions.
5. The intent, objective or goal of the resolution should be clear and purposeful.
6. Resolutions should clearly support ALA's mission, core values and/or strategic directions.
7. All whereas clauses that relate to an ALA policy, must include a parenthetical notation of the title of the policy and the section where it can be found in the *ALA Handbook of Organization*.
8. If the resolution calls for specific action or program with a timetable, the timetable shall be clear and achievable.
9. Resolved clauses at the end of a resolution gain in clarity, brevity and are easier to read by following the resolution methodology of Congress and other deliberative bodies. The new suggested wording states the resolved phrase only once: "Now therefore be it resolved by the [acting body, e.g. ALA, some committee etc.], that..." after which each separate resolved is stated directly in numbered order without repeating "be it resolved by...".
10. All "Resolved" clauses within a resolution should also use the objective, rather than the subjunctive (e.g. "Now therefore be it resolved by the [American Library Association], that, 1. Supports... 2. Provides ..." NOT the subjunctive form of the verb "Resolved that the American Library Association, 1. Support... 2. Provide...")
11. If the resolution is addressed to

and 'whereas' clauses followed by the acronym in parenthesis. Thereafter the acronym may be used.
