ACRL Planning Cycle Process and Deadlines

Overview

The ACRL Board is responsible for stewarding the **ciasion**'s implementation of its strategic plan, **Plan** for **Excellence** The Plan for Excellence detailse Board's vision for ACRL's intiatives related to the Value of Academic Libraries, Student Learning, and Research Beholarly Environment. The Board has vested three strategic goal area committees with the responsibility dientifying specific activities to accomplish ACRLs' strategic objectives. The Board works closely with the strategic goal area committees as well as all division-level committees to establish a cohesive and **centensive** association-wide plan for action.

The ACRL planning cycle includes both detailed planning/fiercurrent year as well as planning for future years as appropriate to ensure that ACRL has the resounce/soundation in place to rieze ACRL's strategic goals. The Committee chair, vice-chair, board liaison, ant/f staison comprise a leaderishteam responsible for accomplishing committee's charge.

Work plan preparation responsibility

Division-level Committee chairs have been tasked by Bthærd with preparing annuab mmittee work plans in coordination with the committee vice-chair, Boand astaff liaisons, and committee members. Component Committees are also expected to coordinate whats with Coordinating Committees and Coordinating Committee chairs are expected to be to a timeframe and lead coordinate efforts. Annual committee work plans should address responsibilities included in the ditempenance as well as any additional special projects committees plan to undertake advance ACRL's strategic goals.
