ALSC reading lists are created by children's librarians as a resource to share with patrons. These titles may also be available in ebook, audio book, braille, and large print formats. Parents and caregivers are encouraged to explore this list to find resources that may match or spark their child's interest. Connect with your local library to find out what's happening this summer.

The 2023 Summer Reading Book List was created by the Association for Library Service to Children (ALSC), a division of the American Library Association (ALA). Titles on this list were selected by members of ALSC's Quicklists Consulting Committee.
